ARRIVAL and SEATING

- Please arrive at least 20 minutes prior to the scheduled performance time.
- Large Homeschool groups will be assigned a seating section according to group size.
 - Group members should gather in the lobby.
 - When everyone is present check in with a Stages staff member to be taken to your seats.
 - We begin seating by taking the group to the front most row, all the way to the end. We will ask that each person take a seat leaving no open seats.
 - Once full, we will move the group to the next row. This may cause smaller groups, within the larger group, to be separated. Please inform all group members of this process. Group members are free to move around within their seating section after initial seating is complete.
