Stages Theatre Company Announces Imagine the Journey - 2021-2022 Season

HOPKINS, Minn., Mar 29, 2021 - Stages Theatre Company (STC) is thrilled to announce its 2021-2022 season, featuring a diverse blend of plays and musicals focusing on friendships, adventures, and discoveries. The Imagine the Journey season's seven-show lineup includes five musical productions, three world-premieres, a dance collaboration with Escalate Dance & Theatre Studio, and a Theatre for the Very Young production for families to enjoy.

"Crafting a season IS certainly a journey!" said Sandy Boren-Barrett, Artistic Director. "It is a joy-filled process of thinking about all of YOU—creating a season that inspires imaginations while it entertains. As we were considering the books and stories to bring to life on stage for you, it became obvious that in EVERY show next season there is a journey of self-discovery for our characters."

"We are proud to be able to welcome everyone back to the theatre and offer unique opportunities for families to share memory-making experiences that will last beyond the time spent in the Theatre. Affordable family entertainment at an incredible value."

Stages Theatre Company is committed to following the recommendations and requirements from the CDC and State of MN at the time of the events. We are currently selling to a limited capacity (50%) to allow for social distancing and we will provide all ticket holders with updated requirements closer to the time of the event.
